### **How and When The Rapid Reply Draw Is Run:**

The Rapid Reply draw will take place on **Monday 17 February 2025** at Treetops' premises on completion of processing the entries received by the deadline.

The Rapid Reply Draw will be processed by assigning an integer to the name of each qualifying entrant. A winner will then be picked at random via a Random Integer Set generator hosted by Random.org. Only one entry per name is permitted, so each entrant only has once chance of winning.

Random.org is a true random number service that generates random numbers via atmospheric noise. This ensures numbers are generated without non-predictability, fair distribution and lack of bias. Random.org's Random Integer Set generator, generates random sets of integers. The numbers produced by Random.org have been evaluated by eCOGRA, which is a non-profit regulatory body that acts as the independent standards authority of the online gaming industry.
